## **ImageNet Consulting Acquires I.T. Guys**

**Oklahoma City, OK – October 23rd, 2019** - ImageNet Consulting, a Managed Services company and independent office equipment dealer headquartered in Oklahoma City, has acquired Oklahoma City-based Managed IT company, I.T. Guys.

I.T. Guys was originally established in 2005, serving Oklahoma's business community and providing data protection, cloud computing, and IT support for all business hardware & software.

I.T. Guys will join ImageNet's recent Managed IT company acquisitions as ImageNet expands its Managed IT local service areas. ImageNet Consulting is an industry leader in managed services, including Managed IT, Managed Print Services, Device-as-a-Service (DaaS), and Everything-as-a-Service (XaaS), serving the Oklahoma City community for over 60 years. ImageNet will continue providing premier technology and IT services to the Oklahoma City community and surrounding areas.

### **About ImageNet Consulting, LLC**

ImageNet Consulting was founded as Southwest Typewriter Company in 1956. As times and technology changed, so did their name. Southwest Typewriter Company began a legacy of providing superior solutions, products, and services. As innovations in office equipment change, ImageNet has continued to provide clients with the best products and services that meet their needs. Now at the forefront of 3D Printing, Digital Displays Services, Managed Print, Enterprise Content Management, and Managed IT Services, ImageNet Consulting continues to utilize platforms of leading technology to maximize efficiencies and lower costs for their clients.
